

Robin Brown wants to put more money in Oregon's Classrooms.

THE 65% PLAN

- Sets a goal of at least 65% of all education spending in Oregon be spent directly on our children in the classroom.
- Moves Oregon from 45th to 4th nationally by cutting waste and moving the savings into the classroom.
- Puts \$247 Million more into Oregon classrooms WITHOUT A TAX INCREASE!

Robin Brown
Co-Chairman
First Class Education Oregon
