

Only a sliver of C-corporations in each industry will be affected by Measure 97

Share of C-corporations affected by Measure 97 by industry. Figures do not include S-corporations, limited liability companies, partnerships, sole proprietorships, or other types of businesses by industry.

Source: OCPP analysis of published and unpublished Legislative Revenue Office (LRO) data. LRO chose not to publish the number of C-corporations affected by Measure 97 by industry in its reports on the measure; the Center obtained the data from a public record request.
